Most of them are literary classics, like The Great Gatsby, A Tale of Two Cities, Crime and Punishment, etc.

### Simple Matters Living With Less

At once pragmatic and philosophical, Simple Matters is a nod to the growing consensus that living simply and purposefully is more sustainable not only for the environment, but for our own happiness and well-being, too. Boyle embraces the notion that "living small" is beneficial and accessible to us all—whether we're renting a tiny apartment or purchasing a three-story house.

### Simple Matters: Living with Less and Ending Up with More

The #1 lesson from living with less. A month without 95% of our belongings taught me lots. But perhaps most importantly it taught me that living with less is not only possible – it's my preferred way to live. When I live with less, I'm less distracted. I'm more inclined to pay attention to the things that really matter.
